GIS MAPPER/DRAFTER CALGARY, ALBERTA

Universal Geomatics Solutions Corp. is seeking a GIS Mapper/Drafter to join our team in Calgary.

Opportunity

- Responsible for the on-going spatial data maintenance and dissemination, end-user support and the generation of maps and other GIS reports.
- Research, select, and evaluate map source data for use in the preparation or revision of maps and charts to various scales.
- Check and appraise the content and accuracy of maps, charts, and printing proofs.
- Digitize and attribute GIS data in ArcGIS Desktop.
- Aiding in the development of GIS and drafting systems.
- Establish and maintain effective working relationships with internal and external clients.
- Develop and prepare legal survey and construction drawings using AutoCAD.
- Prepare and interpret conventional and CAD survey plans, drawings, and specifications for land surveying processes.
- Ensure survey drawings conform to specifications and survey data.
- Maintain company standards and other associated work instruction documents in accordance with the requirements of the Quality Management System.
- Participates regularly and actively in all aspects of the health and safety program as outlined by the Health and Safety Department.
- Perform additional assignments and responsibilities as required.

Requirements

- Degree in Cartography or a relevant discipline such as engineering, geomatics, or drafting.
- Minimum 3 years of direct work experience using ArcGIS.
- Minimum 3 years experience in preparing plans for the oil and gas sector using AutoCAD Civil 3D.
- Knowledge and understanding of legal and/or construction surveying.
- Possess a positive, team-oriented attitude, strong problem-solving skills, attention to detail, and communication skills.
- Excellent organizational, communication (both written and oral) and interpersonal skills.
- Ability to work independently as well as in a team setting.
- Programming and development in both AutoCAD and ESRI platforms would be an asset.

Company Benefits

- Outstanding work environment that fosters safety, encourages teamwork, and challenging work opportunities.
- Career and personal development opportunities.
- Comprehensive benefits package, employee assistance program, and RRSP matching.
